

**MONTINI CATHOLIC HIGH SCHOOL**

# **SUMMER CAMPS 2010**

*A Tradition of Spirit, Sportsmanship, and Excellence!*

Dear Camper,  
Welcome to Montini Catholic High School and the 2010 edition of Bronco's Summer Camps. The grade school level camps focus on teaching fundamentals of each particular sport.

In addition, there are specialty camps which focus on a particular aspect of a sport (ie: basketball shooting camp; skills camp.) The high school level camps reinforce fundamentals but concentrate on the techniques specific to each of our Montini programs.

As you can see from the attached brochure we offer a wide variety of camps and believe we have something to offer just about everyone.

We sponsor twenty different programs in the Athletic Department including cheerleading and pom poms. In addition we also have a hockey program, girls and boys lacrosse and rugby. Our programs have experienced a great deal of success and part of that success is attributed to the effort and importance placed on our Summer Program. I hope you will be a member of our camps and I know you will reap the benefits of the instruction given. If you have any questions regarding any of the camps listed in the brochure, feel free to contact me at Montini.

Yours truly,  
Don Riley, Athletic Director

**The Bronco Sports Camps will all be held at Montini Catholic High School on the dates and at the times listed. The grade levels listed reflect the grade the camper will be entering in September.**
